

## **California Dreamin' Raises \$13,000 for Shorecliffs Students.**

A big thank you to the 120 people who attended the Foundation's third annual dinner and auction on Saturday at Irons in the Fire. The evening featured the music of the Shorecliffs string musicians, followed by acoustic guitar and the popular band "Half Blonde." The candlelit room was filled with an amazing selection of more than 50 silent auction baskets, which guests bid on while helping themselves to an international buffet. The centerpieces, featuring an artistic combination of driftwood, succulents, and flowers, were raffled off to lucky ticket holders at the end of the night.

The live auction was fast and furious, as parents battled it out for two signed surfboards (Greg Long & Dane Reynolds), a premier weekend getaway to Laguna beach, an original oil painting, and a signed (by contest winner Greg Long) Eddie Ika poster. The highest and most contested bidding was for a generously donated Dr. John Redmond complete orthodontia treatment.

Special thanks goes to event chair Shauna Hull, and her dedicated team of volunteers. We would also like to thank principal Kenny Moe and the many teachers who attended the event.

Through good food, great company, and fabulous auction items, the Foundation is very pleased to raise almost \$13,000 which will directly benefit all Shorecliffs students. The money will fund field trips, technology, science lab supplies, library enhancements, and more!

Please see the attached list of auction donors, and mention your appreciation if you visit their establishment. We couldn't have done it without them!
